

## Privacy Policy (Personal Information Protection Policy)

Ltd. (hereinafter referred to as "MOWLD") considers the proper handling and protection of personal information to be a social responsibility in all aspects of its corporate activities. In addition to complying with all laws and regulations related to the protection of personal information, the Company will strive to live up to the trust of society based on the following policy.

### What is personal information?

It means information about an individual that can identify a specific individual by name, date of birth, telephone number, address, place of employment, or other information contained in such information, or information that can be easily cross-checked with other information and thereby identify a specific individual.

### Acquisition of Personal Information

We will acquire personal information by legal and fair means.

### Use of Personal Information

We will use personal information only within the scope of the purpose of use indicated at the time of acquisition and only as necessary for the performance of our business.

### Management of Personal Information

We take security measures to prevent unauthorized access, loss, destruction, falsification, and leakage of personal information.

### Provision of Personal Information to Third Parties

We will not provide personal information to third parties without the consent of the customer. However, we will not provide personal information to third parties without the consent of the customer, except in cases permitted under the Personal Information Protection Law or other laws and regulations.

### Disclosure, Correction, Suspension of Use and Deletion of Personal Information

Requests for disclosure, correction, suspension of use, or deletion of personal information will be handled appropriately upon confirmation of the identity of the requesting party.
